- 7 Clinic Rooms With Sinks
- Accessible Bathroom
- 2 Toilets
- Reception Waiting Room
- Kitchen and Staff Room
- Sluice Room

We transport buildings throughout all of the North Island. Building fit out is completed ready to connect to your onsite services. Decking not included. Refer to generic specifications and general inclusions. Plans can be flipped and mirrored.

Cost estimate provided will be for building including:

- CCC for building ex-factory.
- Delivery within Auckland Council Region (extra km quoted).
- Standard foundations for the building to NZS 3604 (excludes deck).

Talk to our commercial team on 0800 460 307, or email enquiries@transbuild.co.nz to discuss your specific project and enable us to provide you with a no obligation project estimate. Display buildings are located at our Drury, South Auckland facility.
